

Every day we keep in mind
to deliver fresh sweets like green leaves to our customers

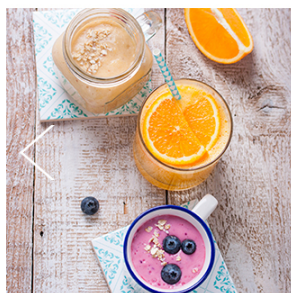

Since its founding, Green Leaves Confectionery Factory has been devoted to making delicious sweets that delivers healing to our customers. We will continue to make sweets that carries happiness so that customers can enjoy with smile from now on. Based on making sweets at directly managed stores, we have also begun sales at affiliated stores throughout the country.

Freshly brewed coffee from freshly ground coffee is one of our popular menu. In addition, we have various other drinks that complement the sweets. Orders of only drinks are welcome.
